

Brinkley Engine Remanufacturing

Description:

FREE vehicle towing within the Rolla, St. James, Cuba & many other areas.

Is your vehicle's engine smoking, rattling, leaking oil or just plain worn out? We can remanufacture your engine and it will be as good as the day it left the factory with a 100,000 Mile / Five Year Warranty.

We don't claim to be the lowest priced, although we frequently are, we are simply the best. Very few new cars and no other remanufactured engines have a warranty like we offer. We remanufacture Gasoline and Diesel engines and have been in business for 27 years in the Mid-Missouri area.

We prefer telephone contact, but if you want to e-mail us, please go to our web site and email from there. Call us today for your free quote at 800-620-5486. &
