

4MLS-Jera Media

Description:

Agents - Brokers - Property Managers

Our 4MLS solution allows agents, brokers, and property managers to post signs and riders at properties, which invite prospective buyers to text a keyword and receive property details within seconds. This service can provide the instant feedback many prospective buyers want and help your organization generate highly qualified sales leads.

How Can This Service Add to Your Bottom Line?

As an agent/broker getting preliminary information is extremely important. It sets the stage for a long term relationship with a prospective buyer. In this day and age your clients want to get immediate feedback. This service can instantly supply property information, your contact information and photos directly to their cell phone
