

Nature Girls Health Foods and Supplements

2100-A North Bishop Ave
(between steak'n shake and lowes)
65401

Phone: (573) 341-1919

We have moved into our new location and we are open for business! We are a family owned and operated health food store in total support of our local organic farmers, local products made of organic and/or natural materials so if you have a healthy passion for wellness and your craft come talk to us about consignment or buying your produce at a local fairtrade price. We carry the following: seasonal organic produce, local pasture raised hormone -free beef and bison, local organic whole chickens and turkeys, organic bulk grains and flours, gluten- free foods, sports nutrition, natural bath and beauty products, vitamins and supplements, eco-friendly cleaning products, natural pet products and so much more. Come check us out!
