Olivia's is famous for our great tasting Pork Kabobs! We make our own secret marinade that makes the meat so tender, delicious and juicy. We also offer other options such as chicken and beef. We are a full service catering from small to large outing events.<br />

Kabobs are our specialty, but we have many other items on our menu or you can request a specific food item at your catered event.<br />

Feel free to contact us for a full menu and price list. 573-578-7427 <br />
