Stage Wright Design provides Design consulting services and Staging for residential and commercial clientele. From Staging a new model home or listing for sale, lease or rent to a new or updated business lobby, waiting or conference room, no job is too small. Is it time for a new look or style for your home? Is it time to update your color palette and you're unsure of where to start, what colors to choose? Contact me and I will transform your house into a home. I can even shop for or with you and help choose new furnishings and accessories. Mention Rolla Net and receive a discount on your initial consultation.
