

# Rolla Computer Services

---

1315 Truman Avenue  
65401

Phone: (573) 458-9402

We can help you with anything...<br />

From Smartphones to Servers.<br />

<br />

Rolla Computer Services is here to assist you with virtually any computer need.

Whether you need your home computer fixed or need an entire network with 50

workstations built from scratch, we can help.<br />

<br />

Don, our Systems Engineer, has a BS in Information Science and Technology with a minor in Business Administration from Missouri University of Science & Technology.

He has over fourteen years of experience working with small businesses, medium

businesses and individuals. Currently, he's working at Missouri Science and

Technology as a Systems Administrator as well as maintaining his position as our IT

director and Systems Engineer at RCS. <br />

<br />

Email Brandy, our Office Manager, with any inquires. <br />
