I am a window cleaning specialist, who only does professional residential and commercial window cleaning. I clean the house windows, sills, and screens by myself to guarantee the quality of the work and to insure customer satisfaction.

My trade area is within 30 miles of Rolla. We clean business windows monthly in Rolla, St. James, Vienna, St. Robert and quarterly in Dixon. My wife does my scheduling and helps me clean the business windows.

Window cleaning can be done: on a one time or on a regular basis, inside and/or outside, a complete job or just a partial, in the spring, summer, fall or winter.

To schedule a FREE estimate call Margaret at 364-5787.

We are closed on the Saturday Sabbath.
