Midwest Porta-Blast offers mobile dustless blasting service. Environmentally friendly, paint, coating and rust removal without the dusty mess of sandblasting or sodablasting. We also remove graffiti from buildings to freight cars. Completely removes Paint, Rust and Bondo from classic and antique cars, trucks, trailers, frames, farm equipment, heavy equipment; and gentle enough to remove the paint from a Corvette, fiberglass boat, lawn furniture, wood and antiques. Check out our facebook page; pics and videos of what we do. Call us and find out how we can help.
