Middle-left: Text describing benefits and a list of skills. Middle-right: An illustration of diverse children in a circle. Bottom-left: 'Special Needs' logo with colorful hands. Bottom-right: Contact information for Mimi's Corner.

Special Needs Cheerleading
*No Age Limit
*Male or Female
*Caring & Dedicated Staff
*Custom Yet Affordable Uniforms
*Learn what it means to be on a Team

In addition to providing fun and physical activities; cheer programs for children with special needs provide physical health, self-esteem, and have cognitive benefits!

We help our students:

- * Improve muscle control and coordination,
- * Build critical thinking and decision making skills,
- * Encourage communication and socialization, and
- * Build confidence in themselves and their abilities.
