

A & P Delightful Candles

10349 S. Hwy. 68
65559

Phone: (573) 368-8407

100 % soy wax candles and melts. Made from American grown soybeans, biodegradable, non-toxic. Soy candles last 50 % longer than paraffin wax candles. Soy wax is an all natural product which produces less soot and is also easy to clean. The fragrance lasts as long as the candle.
