Rolla is a city right in the middle of Missouri. In fact, our slogan is "The Middle of Everywhere", and it's very nearly true. We're at the intersection of I-44 and US 63, halfway between St. Louis and Springfield, and an hour south of the capital Jefferson City. With rail service and an airport that can handle all but the biggest jets, you really can get just about anywhere from here. The population in the 2010 United States Census was 19,559.
